DE-NS
DESTINATION EASTERN & NORTHUMBERLAND SHORES

PJILA'SI WELCOME

Antigonish

Pjila'si. Bienvenue. Fáilte. Welcome... to Antigonish along the Northumberland Shore of Nova Scotia. This region is the ancestral home of the Mi'kma'ki First Nations people, the traditional knowledge keepers, and is also rich in the history and traditions of Gaelic, Acadian and African Nova Scotians. Evidence of the love of all of these traditions beats strongly in the hearts of all who call this area home, and is sure to capture the love and attention of all who take in its beauty.

Small town charm and an authentic East Coast lifestyle is what you will experience in Antigonish. Experience our serene coast along the shores of Antigonish by following the Sunrise Trail into Arisaig and around Cape George. This trail is a favourite for cyclists looking for a challenge, motorcycle enthusiasts, and for those who love to roll the windows down and smell the fresh salt air. While on this peaceful and relaxing drive, stop and visit the many wharves, lighthouses, look-offs, beaches, hiking trails, and other local treasures along the way. This coastal gem is among the province's most scenic drives offering views that will capture

BAYFIELD BEACH PROVINCIAL PARK

your heart. Once you finish the blissful drive and it is adventure you are now seeking, head to The Keppoch and enjoy the multi-use trail system for year-round fun. If local fare is what you're after, there are many options for you to try. Whether it's taking in the view at Arisaig while enjoying a lobster roll, a casual drink on a patio, a seafood spread, or if fine dining is more your scene, Antigonish has it all.

No matter where you travel in the areas of the Northumberland Shore, visitors are afforded an opportunity to experience the arts and culture that resonate in the hearts and homes of our people and revel in natural beauty - whether it is the pounding waves of the coastline that beat like the ancient drums of our First Nations people, or the soothing sounds of water gently moving in our rivers and lakes, or the stirring music heard from Mother Nature and local musicians.

Antigonish on Nova Scotia's Northumberland Shore will call you back again, and again, and again.
